Dear Program Sponsors, Alumni and Freedom Soccer Fans,

The coaches and players of the Freedom Boys Soccer team would like to thank you for all your donations to our Game Day program. The support you are providing is benefiting all our student-athletes from Pre-K through High School. Freedom Soccer continues to grow and improve at every level year over year.

As we enter our second year leading the program we look forward to building upon the foundation that was established last year. We return six players and have added talented freshman as well as some upperclassmen. With all the new faces there will be growing pains, but we are looking forward to another exciting season.

Let's Go Irish!

Adam Eggert, Head Coach

Patrick Van Camp, Assistant Coach

# Summer Soccer Camp

In July we held our Freedom Summer Soccer Camp. 60 campers from Pre-K through 4th grade attended the camp. They learned from current high school players and coaches. Lots of fun and development. Looking forward our indoor camps this winter!

# YOUTH CLASSIC TEAMS

Freedom Classic teams competed in the East Central District Leagues

# FREEDOM RECREATIONAL SOCCER SATURDAY

The Freedom Recreational Soccer Season wrapped up with our Soccer Saturday Tournament in July. Over 350 players Pre-K through 8th grade participated in our recreational program this year. Almost all of our high school players start playing soccer at a young age in our recreational program.

# ALUMNI GAME

We held our annual Alumni game this summer. It's a great experience for the current players to meet and compete against alumni young and old. It builds a bond through the sharing of stories and game details of the past from the alumni. The game was exciting and new memories were created with goals, nutmegs and lots of laughs. Can't wait for next years game!
