Dear Program Sponsors, Alumni and Freedom Soccer Fans,

The coaches and players of the Freedom Girls Soccer team would like to thank you for all your donations to our Game Day program. The support you are providing is benefiting all of our student-athletes from Pre-K through High School. Freedom Soccer continues to grow and become more competitive at every level year over year.

As we enter our second year leading the Girls program we look forward to building upon the strong foundation that was established last year. We return almost the entire team from last year. We have also added talented freshman as well as some upperclassmen. We are excited to be chasing the conference championship and look forward to a long playoff run.

Let's Go Freedom!

Adam Eggert, Head Coach
